Title: CONSISTENCY DETERMINING METHOD AND SYSTEM  
Applicant: Ola M Johansson  
Attorney Docket No. 1174.034

Dear Sir/Madam:

We have discovered an error in a submission that was made on August 30, 2001 in the above identified pending U.S. patent application. The submission was in response to a May 31, 2001 Notice to File Missing Parts and included a Request for a one month Extension of Time, a Declaration, an Assignment and a check for \$2,304.00 for the filing fee. Copies of the submitted documents are enclosed.

The Transmittal Form submitting the enclosed documents incorrectly listed information for another unrelated matter, namely, application number 29/140,543. Only the Transmittal Form was incorrect. All of the rest of the other documents that were enclosed with this submission listed the correct file information. According to the USPTO PAIR site, it appears that the Declaration was received and misfiled in application number 29/140,543. (See the enclosed printout, item no. 10.) It is unclear what was done with the other documents and filing fee.

We believe that the above items were timely submitted and request that they be entered for application number 09/814,232 and withdrawn from application number 29/140,543. If you have any questions, please contact me.

Very truly yours,

David D. Stein
